This 22nd day of May, 2014, the Court having conducted an initial Rule 16(b) scheduling conference pursuant to Local Rule 16.1 (b) on May 13, 2014, and the parties having determined after discussion that the matter cannot be resolved at this juncture by settlement, voluntary mediation, or binding arbitration;

IT IS ORDERED that:

1. Rule 26(a)(1) Initial Disclosures. Unless otherwise agreed to by the parties, the parties shall make their initial disclosures pursuant to Federal Rule of Civil Procedure 26(a)(1) by May 29, 2014. Except as expressly noted below, the parties will also abide by the Court's Default Standard for Discovery, including Discovery of Electronically Stored Information ("ESI"), as revised on December 8, 2011 ("Default Standard").

The parties shall also make the following disclosures:

a. Identification of Accused Products, Asserted Patents, and Damages Model. Pursuant to Paragraph 4(a) of the Default Standard, by June 12, 2014, Plaintiff shall specifically identify the accused products and the asserted patents they allegedly infringe, and produce the file history for each asserted patent.

b. Core Technical Documents. Pursuant to Paragraph 4(b) of the Default Standard, Defendant shall produce to the Plaintiff the respective Core Technical Documents related to the accused products by July 14, 2014.

c. Infringement Contentions. Pursuant to Paragraph 4(c) of the Default Standard, Plaintiff shall produce to Defendant an initial claim chart relating each accused product to the asserted claim(s) each product allegedly infringes by August 13, 2014.

d. Invalidity Contentions. Pursuant to Paragraph 4(d) of the Default Discovery Standard, Defendant shall produce to the Plaintiff its initial invalidity contentions for each asserted claim, as well as the related invalidating references (e.g., publications, manuals and patents) by September 11, 2014.

2. Joinder of Other Parties and Amendment of Pleadings. All motions to join other parties, and to amend or supplement the pleadings, shall be filed on or before March 9, 2015.

3. Discovery.

a. Discovery Cut Off. All discovery in this case shall be initiated so that it will be completed on or before December 21, 2015. Fact discovery shall be completed on or before June 16, 2015.

b. Document Production. Document production shall be substantially complete by April 27, 2015.

c. Requests for Admission. A maximum of 50 requests for admission are permitted for each side.

d. Interrogatories. A maximum of 25 interrogatories, including contention interrogatories, are permitted for each side.

e. Depositions.

i. Limitation on Hours for Deposition Discovery. Each side may take up to 100 total hours of testimony by deposition upon oral examination, including third-party depositions. Of these 100 hours, no more than 50 hours may be used for party depositions, including no more than 20 hours for 30(b)(6) depositions. Each side is entitled to notice three 30(b)(6) depositions. All depositions other than 30(b)(6) depositions are subject to a limit of 7 hours, with the exception of inventor depositions, which are subject to a limit of 14 hours. Every two hours of a deposition in which an interpreter speaks on the record counts as one hour. A party needing additional deposition hours or 30(b)(6) notices may seek agreement from the other side or leave from the Court.

ii. Location of Depositions. Any party or representative (officer, director, or managing agent) of a party filing a civil action in this district court must ordinarily be required, upon request, to submit to a deposition at a place designated within this district. Exceptions to this general rule may be made by order of the Court or by agreement of the parties. A defendant who becomes a counterclaimant, cross-claimant, or third-party plaintiff shall be considered as having filed an action in this Court for the purpose of this provision. If the parties cannot reach agreement on the location of depositions for party-employees, any such depositions will be held in this district.

f. Discovery Matters and Disputes Relating to Protective Orders. Should counsel find they are unable to resolve a discovery matter or a dispute relating to a protective order, the parties involved in the discovery matter or protective order dispute shall contact the Court's Case Manager to schedule an in-person conference/argument. Unless otherwise ordered, by no later than forty-eight hours prior to the conference/argument, the party seeking relief shall file with the Court a letter, not to exceed three pages, outlining the issues in dispute and its

position on those issues. By no later than twenty-four hours prior to the conference/argument, any party opposing the application for relief may file a letter, not to exceed three pages, outlining that party's reasons for its opposition. Should any document(s) be filed under seal, a courtesy copy of the sealed document(s) must be provided to the Court within one hour of e-filing the document(s).

If a discovery-related motion is filed without leave of the Court, it will be denied without prejudice to the moving party's right to bring the dispute to the Court through the discovery matters procedures set forth in this Order.

4. Application to Court for Protective Order. Counsel will confer and attempt to reach an agreement on a proposed form of protective order and submit it to the Court within thirty days from the date of this Order. Should counsel be unable to reach an agreement on a proposed form of order, counsel must follow the provisions of Paragraph 3(f) above.

Any proposed protective order must include the following paragraph:

Other Proceedings. By entering this order and limiting the disclosure of information in this case, the Court does not intend to preclude another court from finding that information may be relevant and subject to disclosure in another case. Any person or party subject to this order who becomes subject to a motion to disclose another party's information designated as confidential pursuant to this order shall promptly notify that party of the motion so that the party may have an opportunity to appear and be heard on whether that information should be disclosed.

5. Papers Filed Under Seal. When filing papers under seal, counsel shall deliver to the Clerk an original and one copy of the papers. A redacted version of any sealed document shall be filed electronically within seven days of the filing of the sealed document.

Subsequent to exchanging those lists, the parties will meet and confer to prepare a Joint Claim Construction Chart to be filed no later than November 24, 2014. The Joint Claim Construction Chart, in Word or WordPerfect format, shall be e-mailed simultaneously with filing to rga_civil@ded.uscourts.gov. The parties' Joint Claim Construction Chart should identify for the Court the term(s)/phrase(s) of the claim(s) in issue, and should include each party's proposed construction of the disputed claim language with citation(s) only to the intrinsic evidence in support of their respective proposed constructions. A copy of the patent(s) in issue as well as those portions of the intrinsic record relied upon shall be submitted with this Joint Claim Construction Chart. In this joint submission, the parties shall not provide argument.
